Summary

Motivated Entry-Level Software Developer with hands-on internship experience and a strong full-stack project portfolio. Demonstrated ability to develop responsive web applications, build reusable components, and integrate RESTful APIs. A proactive problem-solver and collaborative team player with a strong engineering mindset, eager to contribute to a professional development team and continuously learn and adapt to new technologies.

Experience

Software Developer Intern, HEPL

02/2026 – 08/2026

- Developed and maintained responsive web application features using React.js and Material UI, creating intuitive user interfaces and reusable components.
- Integrated and tested RESTful APIs across multiple modules using Swagger, debugged application issues, and collaborated with the development team to deliver reliable web application features.

Projects

Asset Management System (AMS)

Technologies: React.js, Redux Toolkit, Material UI, Java, Spring Boot, MySQL, REST APIs

- Developed a full-stack Asset Management System using React.js, Redux Toolkit, Material UI, Spring Boot, and MySQL to manage asset allocation, tracking, maintenance, and lifecycle operations.
- Built responsive and reusable frontend components using React.js and Material UI, implemented state management with Redux Toolkit, and integrated REST APIs with the Spring Boot backend.

Cine Search – Real-Time Movie Explorer

Technologies: React.js, Bootstrap, TMDb API, localStorage

- Developed a responsive movie discovery application using React.js and the TMDb API to display real-time movie information, ratings, cast details, and trailer content.
- Implemented client-side routing, movie search, responsive UI components, and watchlist functionality using React.js, Bootstrap, and localStorage.

Skills

Frontend: HTML5, CSS3, JavaScript, React.js, React Hooks, React Router, Redux Toolkit, Bootstrap, Material UI

Backend: Java, Spring Boot, Node.js, Express.js, REST APIs

Tools & Database: MySQL, Git, GitHub

Certifications

Software Development Internship Completion Certificate — HEPL

JavaScript Programming Certification — Codekaro

Fundamentals of Artificial Intelligence — NPTEL

Ethics in Engineering — NPTEL

Education

Muthayammal Engineering College,
B.E. in Electronics and Communication Engineering
CGPA: 7.65/10

2022 – 2026
