English Professional Working Proficiency

INTERNSHIP

Python Developer Intern

12/2024 – 01/2025 | Salem

Completed a Python Internship with practical experience in Python development, scripting, and problem-solving.

PERSONAL PROJECTS

Movie Search Application

Built a Movie Search Application using API integration to fetch and display real-time movie details based on user input.

Live Weather Tracker

Designed a Live Weather Tracker using React with API integration to display real-time weather information. Shows temperature, weather conditions, humidity, wind speed, and location details with a dynamic interface.

Web Calculator

Created a responsive web calculator using JavaScript DOM manipulation with a mobile-friendly design.

Qr Code Generator

Developed a QR Code Generator that generates QR codes instantly based on user input with a simple and responsive interface.

CERTIFICATION

Zealous Tech Corp
